POP 9

ZERO & ICHII ~BOND~

I, who didn't
believe in anything,
was bewildered by
the integrity of that
boy who stayed
straight into my heart

And not for some
reason I couldn't help
but be attracted
to him

POP 9. ZERO & ISHII -BOND-

IN THE END THE TWENTY OUT
TO BE A 1 DAY FILM STORY 1
MIGHT KEEP TO MOVING THE SORT OF STORY
AND THERE WERE VARIOUS POINTS THAT JUMPED
IN AND OUT, BUT THERE WERE SO MANY
SCENES THAT I COULD NOT DO IT. I FEEL GLAD
THAT I WOULD BE UP TO THE TASK ON THE
CHALLENGE OF ANOTHER STORY
AND THE 1 WAS FINALLY DONE. I THINK
THAT FOR THE MOMENT THE JAPANESE WILL
UNDERSTAND HOW THAT I THINK ABOUT IT
WITH POP 1. IT TAKES OUT THERE WITH A LOT
MORE PEOPLE WHO DON'T HAVE PROBLEMS
THAN I EXPECTED WITH EVERYONE BEING
THEir ATTENTION TO BEING HAPPY AND
AT THE END I WAS FINALLY ABLE TO
PUT IN THE TWENTY OUT. IN GLAD

That's right,
the two of us
are waiting
to do with and
accept.

Because, if
not like that
going, it will
be the rest for
9 hours.

I
understand.

I
believe
but...

NOT
REALLY...
IT'S NO
THREAT!

I SAID
IT'S NO

Q&A

Q1. What is the easiest job done in "Housewife?"

A1. Hair styling! They get the most hair-paths! Shaved after hair, hair is pretty easy to do!

Q2. And the hardest?

A2. Shaving... it's really difficult.

Q3. What was the first "Housewife" character you created?

A3. Aha! They like me! That was the first... that's all.

Q4. How did you decide on the name "Housewife" Lollipop?

A4. The fruits as I said the name from a video tape. It's from "Housewife" by the first "Housewife" Lollipop. At first I was just going to go with just "Housewife" but it was like off the screen. They're something like that... pretty close. So they the way the name I chose that name. It's really off it made sense. There is no real reason for it.

> > 196. If I'm going by the guidelines provided by Bakka which appear on P'p 27 and 28 just there, I presume, or I'm assuming that 'you' is a misquoting of 'you' or something Japanese, and 27 ~ how the hell is he now? As with Serena, perhaps! That I'm not now? ~ ~
